

GREETINGS!

Welcome to the online program for McKinney-Vento Liaison credentialing. State Coordinators have worked side-by-side with Kickstand to create relevant and helpful curriculum and to deliver it in an accessible and engaging format. You will learn at your own pace with videos and written instruction, as well as have access to a myriad of real-world resources.

To get started, you'll find your login information below. Kickstand, the eLearning platform you'll be using to access the liaison courses, is a website built on responsive design. This means you can log in and learn on any device! Anyplace, anytime; you learn when it works best for you. On your computer, tablet, or smartphone, go to www.kickstandk12.com and enter the username and password below.

Your login information:

Username: email address

Password: mv2017

Please feel free to log in right away and explore your account.

Use the link below to access our getting started guide.
