

## PREPARE FOR POSSIBILITY

Dance, Vocal and Instrumental Music, Traditional and Digital Visual Art, Creative Writing, and Acting are a part of every student's schedule – ART EVERY DAY. Our extensive arts program is integrated into our solid academic curriculum. The Arts Academy in the Woods is chartered by the Macomb Intermediate School District's Board of Education

### IEP Parent Summary

An Individual Education Plan will include information about all of the following. For parents, we should provide a few sentences under each heading and inform them that the IEP itself is the binding document and contains much more detail.

#### Present Levels of Academic Achievement and Functional Performance

Briefly summarize student's strengths and weaknesses as well as how the student's disability affects his or her ability to be involved and progress in the general education curriculum.

#### Annual Goals

Briefly summarize what we believe the student can achieve in the next several months.

#### Measuring Your Child's Progress

Briefly summarize how we will know if the student is progressing toward goals and when parents can expect updates

#### Services and Supports

Briefly summarize which services and supports we recommend as part of his or her free appropriate public education along with a summary of this services/supports from IEP guidelines doc.

#### Participation with Children without Disabilities

Briefly summarize if and when the student is going to be removed from the general education class for any part of the school day.

#### Modifications to State or District-Wide Assessments

Briefly summarize testing accommodations and when they will be implemented.

#### Location and Duration of Services

Briefly summarize when and where the student will receive services.

#### Reporting Your Child's Progress

Briefly describe how we will communicate progress to families.

#### Transition Services

Briefly describe the student's need for transition services, based on their current age.

#### Age of Majority

Briefly describe the process for the transfer of rights that typically occur when the student is 18.
