

PREPARE FOR POSSIBILITY

Dance, Vocal and Instrumental Music, Traditional and Digital Visual Art, Creative Writing, and Acting are a part of every student's schedule – ART EVERY DAY. Our extensive arts program is integrated into our solid academic curriculum. The Arts Academy in the Woods is chartered by the Macomb Intermediate School District's Board of Education

PowerSchool Updates

PowerSchool will help us to empower students to collaborate on projects, teachers to collaborate on instruction, and parents to understand what's going on.

In the past, teachers used several online providers for sharing classroom news and resources. The Unified Classroom platform combines the previous functions of the PowerSchool Parent Portal for gradebooks and attendance with the ability for teachers to share resources like study guides, practice, quizzes, or create interactive lessons and scaffold instruction in highly visual, meaningful contexts—perfect for engaging and accommodating all learners. Teachers and families won't have to juggle multiple logins for different school resources on different platforms.

After Monday 08/29/2022, there will be two ways to access your student's information.

- 1) The PowerSchool App will remain unchanged. You can continue to use the username and password as before and you will be able to find the same information. The PowerSchool App is still available in the iTunes Store or Google Play. To access the Arts Academy app, our district code is: CTFL.
- 2) The online PowerSchool Parent Portal will be available via the link on the Academy's website.

When you attempt to log into the online ParentPortal for PowerSchool, parents should create a new account. The program will provide instructions on how to complete this process. The parent's Access ID will be sent this weekend.
